

Salem Electric

SERVING KEIZER AND SALEM

Free Conservation Workshop Tuesday, February 7, 2012 6:30 - 8:00 p.m.

In this 90-minute workshop we want to help you learn more about ways to save energy and lower your electric bill. Our energy experts will introduce you to Salem Electric, our history and why we support conservation. They will also review the following topics and allow plenty of time for questions:

- Home Energy Use Pie Chart
- Electric Heating Systems
- Energy Efficient Appliances
- Lighting
- Hot Water Conservation
- Renewable Energy
- ENERGY STAR Ratings

Due to space constraints, attendance will be limited to the first 30 Salem Electric members who sign up. Contact our Member Services Department at 503 362-3601 or se@salemelectric.com.

We will need your name and street address so we can prepare some information specific to your home.

Space is limited, so register soon!
