

**SALEM ELECTRIC**  
**COGENERATION AND SMALL POWER PRODUCTION RATE**  
Schedule 6

See attached rules for conditions of purchase and sales.

**RATES FOR PURCHASE**

On a monthly basis, the utility will pay seller the current avoided cost rate for each kWh delivered and accepted during the month. This rate will be kept on file with the Oregon Public Utility Commissioner's office and available upon request.

Effective 09/01/87
